

HR Assistant certification course

Practical course - 9d - 63h00 - Ref. KAE

The HR Assistant is responsible for supporting the Human Resources Director or Manager in the performance of his/her administrative duties. He/she is the key interface between the human resources department and the various employees. This certification course provides you with the skills you need to learn the job of HR Assistant. You'll learn how to keep administrative track of new hires and personnel files. You'll also learn the essentials of payroll management and how to manage your time more effectively and efficiently.

Teaching objectives

At the end of the training, the participant will be able to:

-  Know the legal provisions relating to HR
-  Apply the rules relating to different contracts, from hiring to departure
-  Master the regulations governing the management of work-related accidents and illnesses
-  How to draw up a payslip based on working hours and absences
-  Identify the principles of constructive communication
-  Organize your time for greater efficiency

Intended audience

Anyone wishing to become an HR assistant.

Prerequisites

None.

Certification

This certification course is validated by a written exam in the form of a case study (see Ref. KEB).

PARTICIPANTS

Anyone wishing to become an HR assistant.

PREREQUISITES

None.

TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more. Participants also complete a placement test before and after the course to measure the skills they've developed.

TEACHING AIDS AND TECHNICAL RESOURCES

- The main teaching aids and instructional methods used in the training are audiovisual aids, documentation and course material, hands-on application exercises and corrected exercises for practical training courses, case studies and coverage of real cases for training seminars.
- At the end of each course or seminar, ORSYS provides participants with a course evaluation questionnaire that is analysed by our instructional teams.
- A check-in sheet for each half-day of attendance is provided at the end of the training, along with a course completion certificate if the trainee attended the entire session.

Course contents

This course consists of the following modules :

Payroll and social security contributions, the basics

Ref. PAI - 3 days
