Prix : 3460 € E.T.

DESCRIPTION

This program will help you assume the role of a confident and credible manager. You'll learn how to lead, delegate, and help your team grow; manage in a hybrid environment; and spearhead your first grassroots change initiative. An energizing, practical, and immersive program designed to help you succeed in your first steps as a manager and inspire others to follow your lead.

INTENDED AUDIENCE

This program is designed for those who are becoming managers: Employees who have recently been promoted to managerial positions (0 to 2 years).

TEACHING OBJECTIVES

At the end of the training, the participant will be able to:

- Identify Your Personality Structure Using the PCM Profile to Better Understand How You Function
- Analyze different personality types in order to tailor your communication to the needs of each person you're speaking with
- Identify your management style and assess its impact on the team to adjust your approach
- Analyze individual needs and leverage motivational factors to strengthen engagement
- Establishing Rituals and a Relationship of Trust for Remote and Hybrid Management
- Using Co-Development to Resolve Managerial Challenges Through Collective Intelligence
- Identify high-impact use cases for generative AI in your day-to-day work as a manager to save time without compromising quality
- Develop effective prompts to produce reliable and actionable summaries, reports, and management communications

PRACTICAL DETAILS

A welcoming start to create positive momentum, present the program and its resources, introduce the overarching theme, and establish a framework for discussion in order to engage participants from the very beginning.

PARTICIPANTS

This program is designed for those who are becoming managers: Employees who have recently been promoted to managerial positions (0 to 2 years).

PREREQUISITES

None.

TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more.
Participants also complete a placement test before and after the course to measure the skills they've developed.

TEACHING AIDS AND TECHNICAL RESOURCES

• The main teaching aids and instructional methods used in the training are audiovisual aids, documentation and course material, hands-on application exercises and corrected exercises for practical training courses, case studies and coverage of real cases for training seminars.
• At the end of each course or seminar, ORSYS provides participants with a course evaluation questionnaire that is analysed by our instructional teams.
• A check-in sheet for each half-day of attendance is provided at the end of the training, along with a course completion certificate if the trainee attended the entire session.

TERMS AND DEADLINES

Registration must be completed 24 hours before the start of the training.

ACCESSIBILITY FOR PEOPLE WITH DISABILITIES
