

Course : Boost performance and customer satisfaction with quality after-sales service

Practical course - 2d - 14h00 - Ref. SAV

Price : 1500 € E.T.

The quality of an after-sales service contributes to sales performance and customer loyalty. How can you support and motivate your after-sales team to develop a spirit of customer relations and service quality? The pragmatic approach of this training course provides the methods and tools to meet these challenges.

Teaching objectives

At the end of the training, the participant will be able to:

- ✓ Focusing teams on service quality
- ✓ Develop [customer relationship " employee skills
- ✓ Set objectives and organize the work of your team
- ✓ Managing difficult situations
- ✓ Managing and measuring service quality

Intended audience

Managers and heads of after-sales services, maintenance teams or hotliners.

Prerequisites

No special knowledge required.

Practical details

Hands-on work
