3 Experimenting with the optimal efficiency scheme

- Identify the four stages of optimal efficiency.
- Know your management style, its strengths and limitations.
- Develop internal and external flexibility.
- Identify and adapt to your employees' style.
- Consider and integrate complex managerial situations.

Role-playing

The four steps to optimum efficiency.

4 Understanding the risks of selection and management distortions

- Represent selection risks according to the four colors: autocrat, utopian, laxist and technocrat.
- Considering two elements and minimizing the third: myself, others or the situation.
- Understand the need for a hierarchy of functions and equality of people.
- Confusing registers: hierarchy of persons or equality of functions.
- Select a single register: hierarchy of functions or equality of people.

Exercise

Show the risks of selection and distortion according to the four colors.

5 Developing a development strategy

- Decipher your professional and personal development paths.
- Use your Arc En Ciel DISC® profile.
- Implement personal success strategies.

Hands-on work

Draw up a personal development plan.

TEACHING AIDS AND TECHNICAL RESOURCES
