

Course : ISO 27001: Lead Implementer, PECB Certification

Practical course - 5d - 35h00 - Ref. ISZ

Price : 3320 € E.T.

★★★★☆ 4,7 / 5

BEST

The aim of this course is to review the knowledge needed for certification and prepare you to take the exam. It ends with the exam itself.

Teaching objectives

At the end of the training, the participant will be able to:

- ✓ Implementing and effectively managing an ISMS
- ✓ Assessing risks and writing a statement of applicability
- ✓ Proposing action plans
- ✓ Understand the correlation between the ISO/IEC 27001 and 27002 standards as well as with other regulatory frameworks
- ✓ Interpreting the requirements of the ISO/IEC 27001 standard in a specific organization's context

Intended audience

Risk managers, CISOs, IT managers, any IS player who needs to incorporate security constraints.

Prerequisites

Basic knowledge of computer security.

Certification

The final exam certifies that you have the knowledge and skills needed to implement an ISMS in accordance with the ISO/IEC 27001:2013 standard. The exam is held on the last half-day. It is provided in partnership with the certifying body, PECB.

Remote certifications

[See the certifier's official documentation](#) for the list of prerequisites for completing the online certification exam.

Course schedule

PARTICIPANTS

Risk managers, CISOs, IT managers, any IS player who needs to incorporate security constraints.

PREREQUISITES

Basic knowledge of computer security.

TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more. Participants also complete a placement test before and after the course to measure the skills they've developed.
