PARCOURS COMPÉTENCES+

ENHANCED CUSTOMER RELATIONS

Cours pratique de 9 jours

NEW

Prix : 3400 € E.T.

DESCRIPTION

This certification program aims to enhance the professional skills of customer service professionals in a digital environment augmented by artificial intelligence. It is based on active learning, a central project, and intersession activities that enable participants to design, test, and evaluate concrete initiatives for augmented customer service.

INTENDED AUDIENCE

Customer service representatives, customer advisors, sales assistants, sales administration staff, and anyone who works directly with customers and wants to improve their communication, sales, and customer retention skills.

TEACHING OBJECTIVES

At the end of the training, the participant will be able to:

- Understanding the Key Challenges and Objectives of Customer Relations
- Analyzing Customer Expectations and Behaviors in a Digital and AI-Enhanced Context
- Implement sales techniques and handle objections
- Develop customer loyalty initiatives and measure their impact (ROI)
- Drafting Professional and Empathetic Written Communications with the Help of AI
- Use digital tools and AI to deliver a consistent and personalized customer experience
- Help establish a performance-driven customer-centric culture
- Design, develop, and present a cross-functional project titled “Enhanced Customer Relations”

PREREQUISITES

No prerequisites.

PARTICIPANTS

Customer service representatives, customer advisors, sales assistants, sales administration staff, and anyone who works directly with customers and wants to improve their communication, sales, and customer retention skills.

PREREQUISITES

No prerequisites.

TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

ASSESSMENT TERMS

The trainer evaluates each participant’s academic progress throughout the training using multiple choice, scenarios, hands-on work and more.
Participants also complete a placement test before and after the course to measure the skills they’ve developed.

TEACHING AIDS AND TECHNICAL RESOURCES

• The main teaching aids and instructional methods used in the training are audiovisual aids, documentation and course material, hands-on application exercises and corrected exercises for practical training courses, case studies and coverage of real cases for training seminars.
• At the end of each course or seminar, ORSYS provides participants with a course evaluation questionnaire that is analysed by our instructional teams.
• A check-in sheet for each half-day of attendance is provided at the end of the training, along with a course completion certificate if the trainee attended the entire session.

TERMS AND DEADLINES

Registration must be completed 24 hours before the start of the training.

ACCESSIBILITY FOR PEOPLE WITH DISABILITIES

Do you need special accessibility accommodations? Contact Mrs. Fosse, Disability Manager, at psh-accueil@orsys.fr to review your request and its feasibility.

TIMES

THE TRAINING SESSIONS TAKE PLACE FROM 9.00 AM TO 5.30 PM, WITH A LUNCH BREAK OF BETWEEN 1 HOUR AND 1 HOUR 30 MINUTES.

For four- and five-day hands-on courses, sessions end at 16:00 on the last day of the course, regardless of the teaching mode..
