

# Course : Foreign exchange risk management

*Practical course - 2d - 14h00 - Ref. RCH*

*Price : 1310 € E.T.*

Managing foreign exchange risk is essential to neutralize fluctuations between currencies and secure sales margins. This training course, focusing on the foreign exchange market and hedging instruments, provides you with the knowledge and tools you need to manage foreign exchange risks.

## Teaching objectives

At the end of the training, the participant will be able to:

- ✓ Foreign exchange market players
- ✓ Understand the challenges of managing foreign exchange risk for your company
- ✓ Hedging against currency risk

## Intended audience

Treasurers, financial managers and accountants.

## Prerequisites

Good knowledge of general accounting

## Practical details

### Hands-on work

This course is based on practical exercises and case studies to help you acquire the skills you need to manage foreign exchange risks.

## Course schedule

### 1 Defining market risks

- Definition of financial market risk and main risk factors.
- Identification of risks within the company.
- Impact on balance sheet and income statement, competitiveness, margins...
- Risk management methodologies.

### Hands-on work

Collective reflection on a case study of different risk management methods.

### PARTICIPANTS

Treasurers, financial managers and accountants.

### PREREQUISITES

Good knowledge of general accounting

### TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

### ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more. Participants also complete a placement test before and after the course to measure the skills they've developed.

## 2 The foreign exchange market

- The main players in the foreign exchange market.
- The different types of transaction.
- The spot market: spot, term, non-deliverable futures.
