Price : 105 CHF E.T.

Les situations de stress font partie de notre quotidien et nous empêchent d'avoir la pleine capacité de nos moyens. Pourtant, des techniques existent pour vous aider à mieux appréhender votre stress et même le rendre stimulant. Ce parcours de formation vous donne les clés pour apprendre à gérer votre stress et en tirer profit !

Teaching objectives

At the end of the training, the participant will be able to:

- ✓ Identify types of stress and their origins.
- ✓ Understand how to tame stress.
- ✓ Implement stress and emotion management techniques.
- ✓ Identify the main factors contributing to well-being at work.
- ✓ Identifying and dealing with sexual harassment in the workplace
- ✓ Project yourself into the post-career world while consolidating first-aid reflexes useful at any time in life.

Intended audience

Anyone wishing to learn how to better manage stress in the workplace and cope with pressure.

Prerequisites

No special knowledge required.

PARTICIPANTS

Anyone wishing to learn how to better manage stress in the workplace and cope with pressure.

PREREQUISITES

No special knowledge required.

TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more.

Participants also complete a placement test before and after the course to measure the skills they've developed.

TEACHING AIDS AND TECHNICAL RESOURCES

- The main teaching aids and instructional methods used in the training are audiovisual aids, documentation and course material, hands-on application exercises and corrected exercises for practical training courses, case studies and coverage of real cases for training seminars.
- At the end of each course or seminar, ORSYS provides participants with a course evaluation questionnaire that is analysed by our instructional teams.
- A check-in sheet for each half-day of attendance is provided at the end of the training, along with a course completion certificate if the trainee attended the entire session.

Practical details

Digital activities

La structure soft skills : vidéos d'experts, exercices, cas pratiques et fiches de synthèse. 14h12 de ressources complémentaires issus d'agrégations de contenus permettant un mix parfait entre conception et agrégats.

Mentoring

L'option tutorat propose un accompagnement personnalisé par un formateur référent ORSYS, expert du domaine. Adapté aux besoins, aux capacités et au rythme de chaque apprenant, ce tutorat combine un suivi asynchrone (corrections personnalisées d'exercices, échanges illimités par message...) et des échanges synchrones individuels. Bénéfice : une meilleure compréhension, le développement des compétences et un engagement durable dans la formation.

Pedagogy and practice

Bénéficiez des conseils et des retours d'expériences des meilleurs experts. Découvrez leurs astuces et les raisons de leurs succès au travers de témoignages concrets. Les apprenants participent à un exercice de découverte active pour compléter et/ou renforcer les apports notionnels de l'expert et bénéficier d'un retour adapté en fonction de leur réponse. Durant chaque cours, découvrez des cas opérationnels réalisés par des experts pour aider les apprenants à mettre en pratique ce qu'ils viennent d'apprendre. Retrouvez une fiche synthèse complète et efficace ! Chaque apprenant pourra conserver une trace écrite de ce qu'il a appris et des conseils qu'il a reçus.
