PARCOURS COMPÉTENCES+

360° PUBLIC PROCUREMENT: MASTER THE PROFESSION

Cours pratique de 11 jours

NEW

Prix : 4680 CHF E.T.

DESCRIPTION

An immersive, collaborative, and certification-based program designed to accelerate performance and provide mastery of the entire procurement cycle. Intended for beginners, operational professionals, and those seeking career transitions, it helps participants structure and professionalize their practices, from defining requirements to managing suppliers. Its practical, experiential approach integrates the legal, interpersonal, sustainability, and digital aspects central to the procurement profession. A robust common foundation, enhanced by modules dedicated to the public sector.

INTENDED AUDIENCE

Beginner buyers or those new to the role, as well as operational staff looking to streamline their work processes. Professionals seeking a career change (logistics, sales, administration, etc.).

TEACHING OBJECTIVES

At the end of the training, the participant will be able to:

- Understanding the Buyer's Role, Responsibilities, and Approach
- Understanding the Legal Framework of the Procurement Process
- Monitor Contract Performance
- Conducting Effective and Balanced Supplier Negotiations
- Integrating CSR, compliance, and digitalization considerations into procurement
- Implement tools and methods that can be directly applied in their professional context

PARTICIPANTS

Beginner buyers or those new to the role, as well as operational staff looking to streamline their work processes. Professionals seeking a career change (logistics, sales, administration, etc.).

PREREQUISITES

None

TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more.
Participants also complete a placement test before and after the course to measure the skills they've developed.

TEACHING AIDS AND TECHNICAL RESOURCES

• The main teaching aids and instructional methods used in the training are audiovisual aids, documentation and course material, hands-on application exercises and corrected exercises for practical training courses, case studies and coverage of real cases for training seminars.
• At the end of each course or seminar, ORSYS provides participants with a course evaluation questionnaire that is analysed by our instructional teams.
• A check-in sheet for each half-day of attendance is provided at the end of the training, along with a course completion certificate if the trainee attended the entire session.

TERMS AND DEADLINES

Registration must be completed 24 hours before the start of the training.

ACCESSIBILITY FOR PEOPLE WITH DISABILITIES

Do you need special accessibility accommodations? Contact Mrs. Fosse, Disability Manager, at psh-accueil@orsys.fr to review your request and its feasibility.

TIMES

THE TRAINING SESSIONS TAKE PLACE FROM 9.00 AM TO 5.30 PM, WITH A LUNCH BREAK OF BETWEEN 1 HOUR AND 1 HOUR 30 MINUTES.

For four- and five-day hands-on courses, sessions end at 16:00 on the last day of the course, regardless of the teaching mode..
