

Course : Public procurement - Belgium

Practical course - 1d - 7h00 - Ref. BMP
Price : 740 € E.T.

Explore the latest developments in public procurement in Belgium with this comprehensive program. From awarding to execution, including risk management, discover the new legal obligations, updated thresholds and recent developments in case law.

Teaching objectives

At the end of the training, the participant will be able to:

- ✓ Decipher the latest legislative and regulatory developments in public procurement
- ✓ Take stock of current case law
- ✓ Apply the new procedures for awarding and executing a contract

Intended audience

Professionals responsible for applying public procurement regulations.

Prerequisites

No special knowledge required.

Course schedule

1 Recent developments in procurement

- New advertising thresholds
- Adaptation of thresholds for the approval of works contractors
- Defining needs: sourcing
- Latest dematerialization requirements (e-Procurement)
- Impact of amendments to the Social Penal Code on public contracts
- Communication of the provisional ranking of bids to tenderers

Group discussion

PARTICIPANTS

Professionals responsible for applying public procurement regulations.

PREREQUISITES

No special knowledge required.

TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more. Participants also complete a placement test before and after the course to measure the skills they've developed.

2 What's new in completing the procurement process?

- New advance payment system
- Communication of final bid ranking to bidders
- Modification of thresholds for approval by the Inspectorate of Finance

3 Contract performance news

- Strengthening governance and transparency
- Third phase of the electronic invoicing obligation
- New payment rules for public contracts

4 Jurisprudence 2023/24 of the Courts and Tribunals

- Analysis and comments on the latest 2023-2024 decisions
- Belgian courts and tribunals
- Court of Justice of the European Union

TEACHING AIDS AND TECHNICAL RESOURCES

- The main teaching aids and instructional methods used in the training are audiovisual aids, documentation and course material, hands-on application exercises and corrected exercises for practical training courses, case studies and coverage of real cases for training seminars.
- At the end of each course or seminar, ORSYS provides participants with a course evaluation questionnaire that is analysed by our instructional teams.
- A check-in sheet for each half-day of attendance is provided at the end of the training, along with a course completion certificate if the trainee attended the entire session.

TERMS AND DEADLINES

Registration must be completed 24 hours before the start of the training.
