NEW

This intensive week will enable you to quickly consolidate your English fundamentals and strengthen your oral and written fluency. Thanks to our immersive teaching methods, you'll develop more fluent, precise and professional communication skills. You'll acquire linguistic reflexes and practical tools that can be directly applied in the workplace.

Teaching objectives

At the end of the training, the participant will be able to:

- Communicate more fluently in everyday business situations
- Use a wide range of vocabulary appropriate to your activity and business environment
- Reinforce essential grammatical structures to produce clear, correct messages
- Express yourself with confidence thanks to more precise pronunciation and improved intonation

Intended audience

Anyone wishing to quickly brush up their written and spoken English.

Prerequisites

Avoir un niveau en anglais équivalent au niveau A2 du CECRL.

Le participant doit pouvoir :

- comprendre des phrases isolées et des expressions fréquemment utilisées
- communiquer lors de tâches simples et habituelles
- décrire avec des moyens simples sa formation, son environnement immédiat et évoquer des sujets qui correspondent à des besoins immédiats.

Un test de vérification de ce prérequis sera réalisé auprès de notre partenaire le British Council après inscription. Celle-ci ne sera définitive qu'après validation de ce test.

TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more.

Participants also complete a placement test before and after the course to measure the skills they've developed.

Practical details

Hands-on work
