

# Course : Finance and environmental issues

**Understanding sustainable finance and the CARE method**

**Practical course - 2d - 14h00 - Ref. FEE**

**Price : 1310 € E.T.**

 4,3 / 5

Sustainable finance is a fast-growing concept, and all companies have a role to play in driving it forward. The emergence of a financial model that takes greater account of environmental issues represents a vital investment for both the planet and the economy.

## Teaching objectives

At the end of the training, the participant will be able to:

- ✓ Defining the contours of sustainable finance
- ✓ Integrate the fast-changing regulatory framework
- ✓ Identify the implications and changes to be made in the field of finance
- ✓ Adopt the CARE method (Accounting Adapted to Environmental Renewal)

## Intended audience

Accountants, management controllers and anyone wishing to acquire the keys to finance and its new challenges.

## Prerequisites

No special knowledge required.

## Practical details

### Hands-on work

Practical workshops, case studies.

### Teaching methods

Active teaching

## Course schedule

### PARTICIPANTS

Accountants, management controllers and anyone wishing to acquire the keys to finance and its new challenges.

### PREREQUISITES

No special knowledge required.

### TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

### ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more.

Participants also complete a placement test before and after the course to measure the skills they've developed.

## 1 The need for a change in financial approach

- Planetary limits: the facts.
- The concept of sustainable development and its scope.
- The notions of weak and strong sustainability.
- The limits of current financial standards.

### Group discussion

Practical workshops: discussions on current limits and new environmental constraints.

## 2 Non-financial reporting

- Which companies are concerned?
- The declaration of extra-financial performance (DPEF).
- The CSR report.
- Corporate Sustainability Reporting Directive (CSRD).

### Exercise

Calculation of indicators for extra-financial reporting.

## 3 Environmental management control

- Measuring greenhouse gases (GHG): establishing the company's carbon footprint.
- Product lifecycle analysis.
- Integrate environmental indicators.

### Exercise

Setting up accounting indicators to improve environmental performance.

## 4 CARE accounting (Accounting Adapted to Environmental Renewal)

- Definition of the CARE model.
- Differences with traditional accounting.
- Implementing the method.

### Case study

Case study in the application of the CARE method.

## Dates and locations

### REMOTE CLASS

2026 : 30 Mar., 8 June, 21 Sep., 30 Nov.

### PARIS LA DÉFENSE

2026 : 30 Mar., 8 June, 21 Sep., 30 Nov.

## TEACHING AIDS AND TECHNICAL RESOURCES

- The main teaching aids and instructional methods used in the training are audiovisual aids, documentation and course material, hands-on application exercises and corrected exercises for practical training courses, case studies and coverage of real cases for training seminars.
- At the end of each course or seminar, ORSYS provides participants with a course evaluation questionnaire that is analysed by our instructional teams.
- A check-in sheet for each half-day of attendance is provided at the end of the training, along with a course completion certificate if the trainee attended the entire session.

## TERMS AND DEADLINES

Registration must be completed 24 hours before the start of the training.

## ACCESSIBILITY FOR PEOPLE WITH DISABILITIES

Do you need special accessibility accommodations? Contact Mrs. Fosse, Disability Manager, at [psh-accueil@orsys.fr](mailto:psh-accueil@orsys.fr) to review your request and its feasibility.
