

# Course : Skills and career management certification course

Skills block of RNCP 35878 title

Practical course - 8d - 56h00 - Ref. ZGG

NEW

This course is the fourth skills block in the state-approved RNCP 35878 Level 6 (Bac +3) "Human Resources Manager" qualification, entitled "Skills and Career Management". It will teach you how to implement a GEPP/GPEC approach, build a skills repository, conduct professional interviews and manage a skills development plan. Key skills for structuring and anticipating talent management within the company.

## Teaching objectives

At the end of the training, the participant will be able to:

- ✓ Managing a PPIM approach
- ✓ Acquire a methodology for describing functions and professions and selecting associated assessment criteria
- ✓ Support operational staff in deploying PPIM tools
- ✓ Align the repository with HR strategy
- ✓ Organizing your project over time
- ✓ Understand the new regulatory framework for the professional interview and master the training systems
- ✓ Drawing up, communicating and validating the skills development plan
- ✓ Evaluating training initiatives

## Intended audience

Anyone wishing to manage skills and career paths.

## Prerequisites

Hold a validated Bac + 2 or a Bac + 2 with at least 3 years' professional experience (no prerequisites in HR), or hold a Bac and have significant professional experience (at least 5 years). Supporting documents will be requested by SUP des RH. If you don't meet these criteria, you can apply to the Validation des Acquis Professionnels (VAP) committee.

## PARTICIPANTS

Anyone wishing to manage skills and career paths.

## PREREQUISITES

Hold a validated Bac + 2 or a Bac + 2 with at least 3 years' professional experience (no prerequisites in HR), or hold a Bac and have significant professional experience (at least 5 years). Supporting documents will be requested by SUP des RH. If you don't meet these criteria, you can apply to the Validation des Acquis Professionnels (VAP) committee.

## TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

## ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more.

Participants also complete a placement test before and after the course to measure the skills they've developed.

## Certification

Bloc de compétences « Gestion des compétences et parcours professionnels », de la certification professionnelle « Chargé des ressources humaines », délivrée par SUP des RH. Enregistrée au répertoire national des certifications professionnelles, sous le numéro 35878, par décision du directeur général de France Compétences en date du 15/09/2021.
