

# Course : EXIN Artificial Intelligence Compliance Professional (AICP), EXIN certification

Practical course - 2d - 14h00 - Ref. AIO

Price : 1960 CHF E.T.

NEW

Cette formation traite les dimensions conformité et éthique de l'IA en s'appuyant sur les cadres européens. Elle vise à outiller les participants pour maîtriser la gestion des risques, protéger la confidentialité des données et déployer une IA responsable afin d'assurer la conformité et de limiter les risques juridiques.

## Teaching objectives

At the end of the training, the participant will be able to:

- Understanding the legal framework applicable to AI (AI Act)
- Enhancing privacy protection and system transparency
- Identify compliance strategies that can be transposed to different sectors
- Promoting an ethical and sustainable approach to AI

## Intended audience

Professionals ensuring compliance with AI regulations, involved in the development or use of AI systems, between monitoring and operational application.

## Prerequisites

None.

## Certification

L'examen consiste en un QCM de 1 heure comprenant 40 questions. Un score minimum de 65 % est requis pour réussir l'examen. Le passage de l'examen a lieu en ligne et en français sur le site EXIN.

## Course schedule

### PARTICIPANTS

Professionals ensuring compliance with AI regulations, involved in the development or use of AI systems, between monitoring and operational application.

### PREREQUISITES

None.

### TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

### ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more.

Participants also complete a placement test before and after the course to measure the skills they've developed.

## 1 Regulatory framework for artificial intelligence

- Presentation of the AI Act: purposes, scope, articulation with the General Data Protection Regulation (GDPR).
- Stakeholders: roles, responsibilities and documentation.
- Classification and requirements according to risk levels.
- Compliance process: reporting, obligations, sanctions.

## 2 Data protection and transparency

- Trustworthy AI: governance and data quality.
- Privacy and RGPD: minimization and traceability.
- Transparency and public acceptability: user information, explainability.
- Auditability: logging and reproducibility.

## 3 Ethics and human supervision

- Ethical principles: fairness, safety, responsibility.
- Human supervision and fundamental rights.
- Case studies: public and private sectors.

## 4 Standards and frames of reference

- Overview of European and international frameworks.
- ISO/IEC 42001 & NIST AI RMF: AI management system.
- ISO/IEC 23894: IA risk management.
- ISO/IEC TR 24368: ethical issues and indicators.

## 5 Preparation for certification

- Revision, mock quiz and knowledge consolidation.
- Tips for successful EXIN BCS certification.

## TEACHING AIDS AND TECHNICAL RESOURCES

- The main teaching aids and instructional methods used in the training are audiovisual aids, documentation and course material, hands-on application exercises and corrected exercises for practical training courses, case studies and coverage of real cases for training seminars.
- At the end of each course or seminar, ORSYS provides participants with a course evaluation questionnaire that is analysed by our instructional teams.
- A check-in sheet for each half-day of attendance is provided at the end of the training, along with a course completion certificate if the trainee attended the entire session.

## TERMS AND DEADLINES

Registration must be completed 24 hours before the start of the training.

## ACCESSIBILITY FOR PEOPLE WITH DISABILITIES

Do you need special accessibility accommodations? Contact Mrs. Fosse, Disability Manager, at [psh-accueil@orsys.fr](mailto:psh-accueil@orsys.fr) to review your request and its feasibility.

## Dates and locations

### REMOTE CLASS

2026: 19 Mar., 29 June, 10 Sep., 30 Nov.
