- ✓ Leading and bringing together a community, ensuring adherence to codes of conduct, and managing crisis situations
- ✓ Discovering indicators and tools for measurement and social media management
- ✓ Anticipating and managing crisis situations

Practical details

Hands-on work

Enhancing social media features and a social media management tool, setting a strategic and operational plan.

Course schedule

1 Writing a social media strategy

- Refreshers on the founding principles of social media.
- Identifying the impacts of e-reputation on the brand.
- Switching from e-reputation to e-lobbying.
- Learning a methodology for setting your strategy.
- Identifying your targets and practices: The persona method.
- Identifying your leverage: A selection strategy.
- Adapting your organization and businesses.

Hands-on work

Updating your company's e-reputation. Crafting a social media presence strategy. Using the persona method.

PARTICIPANTS

PREREQUISITES

TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more. Participants also complete a placement test before and after the course to measure the skills they've developed.

TEACHING AIDS AND TECHNICAL RESOURCES

- The main teaching aids and instructional methods used in the training are audiovisual aids, documentation and course material, hands-on application exercises and corrected exercises for practical training courses, case studies and coverage of real cases for training seminars.
- At the end of each course or seminar, ORSYS provides participants with a course evaluation questionnaire that is analysed by our instructional teams.
- A check-in sheet for each half-day of attendance is provided at the end of the training, along with a course completion certificate if the trainee attended the entire session.

TERMS AND DEADLINES

Registration must be completed 24 hours before the start of the training.

ACCESSIBILITY FOR PEOPLE WITH DISABILITIES

Do you need special accessibility accommodations? Contact Mrs. Fosse, Disability Manager, at psh-accueil@orsys.fr to review your request and its feasibility.

2 Managing a community

- Implementing a multichannel communication strategy.
- Going from communication to conversation.
- Taking into account changes in customer experience.
- Knowing how to engage and respond in the company's name.
- Knowing how to moderate. Engaging in conversation and answering. Anticipating and surprising.
- Leading your community.
- Moving towards content platforms.

Hands-on work

Scenarios in actual cases on various social media (Facebook, LinkedIn, Twitter, Instagram): Request for information, customer service question, criticism, spam, trolling, etc.

3 Creating and optimizing your content

- Community Manager tools: Creating content and visuals, improving the organization and production of that content.
- Mastering style and substance. Knowing how to tell a story.
- Broadcasting exclusive and adapted content.
- Knowing best practices to improve the visibility of your publications.
- Tweeting better: Usages, best practices, and rules for caution...
- Knowing how to manage the impact of algorithms with social advertising.
- Optimizing your Facebook page with third-party applications, monetizing your offering with social commerce.
- Promoting and building loyalty among your ambassadors: Going beyond social media.

Hands-on work

Optimizing the writing and visibility of your posts. Identifying content, defining the editorial line, choosing the right networks. Using curation and storytelling tools.

4 Evaluating your performance

- Knowing quantitative and qualitative indicators (KPIs).
- Telling apart Return on Investment (ROI) from Return on Attention (ROA).
- Statistics tools for Facebook, Twitter, and Instagram.

Hands-on work

Discovering statistics (Facebook, Twitter, and Instagram). Using effective hashtags for your business and influencers.

5 Managing a crisis situation

- Identifying different types of crisis.
- Channeling and managing the blow-up of a crisis on the Internet.
- Adopting the right communication strategy for the situation.
- Preparing and training your organization in crisis management.
- Managing critiques: Best practices and errors to avoid.

Hands-on work

Case studies and feedback.

Options

Certification : 190€ HT

La certification DiGiTT® est en option lors de l'inscription à cette formation et s'articule en 3 étapes : le passage d'un Diag® avant la formation, l'accès à une digithèque permettant l'apprentissage des concepts et notions pour chaque compétence digitale, puis le passage de l'examen de certification. Celui-ci se compose d'un test de 90 min disponible en anglais et en français. Le résultat atteste de votre niveau de compétences sur 1000 points (débutant, intermédiaire, avancé, expert). Le seul suivi de la cette formation ne constitue pas un élément suffisant pour garantir un score maximum à l'examen. La planification de ce dernier et son passage s'effectuent en ligne dans les 4 semaines qui suivent le début de votre session.
