La Fresque permet de mieux retenir les fondamentaux de l'accessibilité grâce à son format.

Course schedule

1 The Web Accessibility Fresco

- Comprehension phase: identify and then weave the links between the cards to build the fresco.
- Creativity phase: illustrating key statements and messages
- Feedback phase: each team comments on the fresco and its messages

Group discussion

The Web Accessibility Fresco is a fun, collaborative workshop designed to raise awareness and educate participants about the challenges of accessibility in the workplace.

2 Workshop: integrating digital accessibility into my business

- Demonstrate customer issues via support tools, with screen reader
- Reflect on and exchange ideas on a common company issue
- Identify bottlenecks and consider simple actions to overcome them.
- Integrate a sustainable accessibility approach into your organization, at every stage of a project.
- Validate understanding of the roles and actions of the various players.
- Lister les bonnes pratiques d'accessibilité numérique de l'entreprise et mettre un plan d'action du projet commun
- What's next? Use the company's common platform to disseminate this action plan internally.

Group discussion

Move from the individual (Fresco) to the collective (in my company, possibly other trades) using the "Who am I?" cards from the Fresco.
